

2012 Level threshold tables for the 3-5 and level 6 English and mathematics tests

Marked test scripts and results for the 2012 Key Stage 2 National Curriculum tests were made available to schools in July 2012.

Schools can use these tables to convert test marks into National Curriculum levels. To be awarded an overall level 6 in a subject, a child must achieve both a level 5 in the end of Key Stage 2 test and pass the level 6 test for that subject.
